

## **Weekly report (2018-01-01 ----- 2018-01-07)**

Jan 1<sup>st</sup>, 2018, 18:30 pm

### **1. Progress**

Table 1. Progress

Tasks	IN PROGRESS	Date
dimension reduction	Run dataset	1.10
*2Vec survey		1.30
statistic charts survey		

### **2. Work**

Added some functions to LargeVis and made it can compare with our projects in the same conditions.

Used pytorch to train the datasets of ImageNet, but got some problems with cuda, because of the program run out of memory.
